Y8-12 New Parents. from 9:30am – 10:30am. Entrance through Gate 5.

Welcome Back GES Cairo

We are truly delighted to welcome you all back to what is promising to be one of the most exciting years in our school's experience.

There are a great many changes, renewals and additions to our school and our campus; all of which are ultimately focused to strengthen, support and enhance our mission of excellence in 'Teaching and Learning'.

Collectively, we have a great many years of experience to share and a legacy to sustain and maintain; of which we are immensely proud. We would like to extend a word of appreciation to our parent community for their trust, for their partnership and for their continued support in this junction of our path as a school family.

Just this year, we will be focusing on two main components in our learning pursuits. Namely, *Literacy* across the school, as well as an enhanced concentrated effort to engage our students in the language, faith and history of their country and culture.

The love of Reading and the creative, unique exposure it provides to our students' imagination and mind skills is paramount; particularly in the early stages. This will then be enhanced and focused upon in later years with new programmes and educational approaches.

We will additionally endeavour to intensify our efforts to expose and connect our school families with society at large through sports, the arts and community service.

There is so much more to come; so much more planned; all of which cannot be accomplished without your active input and participation as GES Cairo parents and families.

Let us merge our support, faith and hard work and work together to make this year a true milestone on our collective journey.

Yalla Beena GES Cairo as we Grow, Engage and Succeed ... together.

Suzanne Sheehan
Head of School

Ghada Dajani
Managing Director
